Operation Orphanage Time Again

Halloween and the election are over (no similarity is intended) and Thanksgiving is not more than a turkey wing away.

So what's coming?

Christmas. And with Christmas comes "Operation Orphan."

Every year—and this is the 12th—Operation Orphan is sponsored by the San Diego Chapter of Sigma Delta Chi, the national professional journalistic society. The chapter is made up of most of San Diego County's newspeople. Operation Orphan is the only project the chapter undertakes which is not strictly associated with professional newsgathering. For that and other reasons, the public is invited to participate.

Operation Orphan involves fulfilling the Christmas wishes of the girls who live in the House of the Good Shepherd orphanage in Mexicali. This is done by requesting a letter to Santa Claus written by the individual girls. The letters are sent to the Chapter for distribution.

The letters are written in English on a blackboard by the nuns at the orphanage, and the girls, who cannot write English then copy the sample containing what they want and need most. The orphanage is at Medro and G streets in Mexicali.

Customarily they ask for either a sweater, material for a dress or a pair of shoes, plus odds and ends like combs, brushes, undies and the like. The usual cost of the total request runs about \$10, give or take a buck or two and depending what the giver wants to add. The giving becomes personal because the letter contains the girl's name, age, weight, height, size of shoes, bust and waist.

Many Sigma Delta Chi members already are involved and have participated since the onset of the project. They collect all the gift packages and just before Christmas load them into trucks and take them to the orphanage.

A professional Santa Claus, Tony Gerhard, a well-known sports personality, goes along. He entertains the little girls and the nuns. The nuns show the same enthusiasm for Santa's visit as the youngsters.

People who make the trip meet at noon of the Saturday set for the visitation at a restaurant in Pine Valley and the caravan starts from there.

The project started during one of the annual Mexican-American press soirees at an old casino south of Tijuana. While we in SDX were in the casino enjoying the festivities, someone noticed a group of little girls milling around the yard. Investigation revealed that we had taken over the temporary sleeping quarters of about 40 orphan girls who were on the coast enjoying the ocean through the generosity of a Mexicali bus owner. They were staying at the casino but had to get out while the press party was under way.

It was learned that the girls, ranging in age from 2 to 18, lived in the House of the Good Shepherd and did not celebrate Christmas with a gift exchange because they were too poor. The nun in charge was asked to have the smaller children write letters to Santa requesting their needs with the promise that we would try to get them fulfilled.

Resulting publicity from friendly newsmen made it easy to dispose of the few letters, so all the 150 girls in the orphanage were asked to write letters. They did and eventually they were distributed. Gifts were taken to the orphanage for the first Christmas in its history.

Later it was learned that the girls were taught to sew, but that only one sewing machine was available to them. A little friendly publicity brought in 68 machines, which were taken to them. They had to build a building to house them and the girls who became accomplished seamstresses.

The project has continued through the help of many and through the generosity of many — and it is going on again this year. Those of us who are members of Sigma Delta Chi have the letters to Santa and we will distribute them to anyone who would like to participate. There are always more requests for letters than can be accommodated.

If you would like a letter, or would like to help in some other way, simply contact us. If you would like to help but can't do the shopping, financial aid is welcome and someone else will do the shopping for you.

Extra cash, when available, is used for turkey, ice cream, a tree, or whatever happens to be needed at the orphanage. This year, as it has been in the past, there is a need for blankets, sheets and pillowcases, new or used, since the temperature falls below freezing out there.

Call our office at 469-0101 and give Patti St. John, the office secretary, your name and address and you will get a letter. Packages may be left off here for delivery in mid-December. The office is at 7834 Lester st. in Lemon Grove. Last year local people gave nearly a truck load. These packages and bundles were later loaded into a large van which led the caravan to Mexicali. Those of us who made the trip got back more than we gave, because these little orphan girls, some pregnant ones as young as 13 years, are loving and lonely.

It's a simple and inexpensive way to spread a little Christmas cheer where it is really needed and appreciated.

New Programs Planned By Smoking Research

Smoking Research, the county's unique smoking and health education project, has for the coming contract year, a new contract, new program. About one third of the funds new volunteer leaders, and a are from the nation's alcohol new source for some of its program, the first such money in the project's history.

The project, which started here in 1966 as a smoking and health program, will continue that effort. New programs for the project will include a co-operative effort with the County Public Health Department on alcohol abuse education and a program to provide health and medical information via the telephone called Tel-Med. American Cancer Society.

The San Diego County Medical Society again will administer contract funds, which come from the U.S. Public

LG Planning Assn.

Boney, Goals to Highlight General Membership Meet

Supervisor Henry Boney will speak to members of the Lemon Grove Planning Association tonight at 7:30 p.m. at the Lemon Grove Jr. High School Auditorium.

Boney, who represented the Second District for the past eight years, will discuss the Comprehensive Planning Organization and its effect upon present levels of local government.

Residents of the community will also adopt the preliminary "Goals of Lemon Grove". The goals were mailed to all property owners last week.

According to James Dorman, chairman of the LGPA, after the goals are approved by the community, they will be presented to the Planning Commission and to the Board of Supervisors for approval. The goals will then guide the group in preparation and implementation of the community plan.

\$2,625 Raised In Campaigns

A combined total of \$2,625 has been raised in Lemon Grove and Spring Valley for the annual United Crusade campaign now in progress.

Lemon Grove, under the chairmanship of Robert Guest, is now at 14.6% of goal with \$1,817. Spring Valley, Alex Struthers, chairman, is at 21.8% of its goal with \$808 raised.

In both communities, the money raised to date includes mainly small business and residential divisions. Major firms and organizations are still conducting campaigns which will be reported within the next two weeks.

Burglary Suspects Taken Into Custody

Two Lemon Grove men were arrested last week and charged with burglary of two apartments on Pacific ave.

A radio call regarding a burglary in progress on Pacific resulted in deputies dispatched to the scene at about 10 p.m. last Tuesday evening.

Upon arrival, deputies observed a suspect later identified as Tommy S. Bickford, of 7446 Pacific ave., to close a car door then begin walking down the street.

He was stopped and asked if the vehicle was his and replied that it wasn't. In the vehicle were two television sets, a guitar, and some jewelry. The car was parked in front of one of the apartments which was said to have been burglarized.

The car exhibited an operating sticker with the suspect's name on it and he was subsequently charged with burglary.

The second suspect, Dale R. Morris, 18, who gave an address of 7505 Broadway, Lemon Grove, was spotted leaving the scene on foot moments later and was arrested.

Several of the items in the vehicle were later identified by a victim of the burglary.

.12 Inches Fall

A small rainstorm passed through Lemon Grove and Spring Valley Wednesday, dropping .12 inches of moisture.

The storm brought the season's total of 1.60 inches. Rain reason is from July 1 to July 1.

HOME COMING QUEEN — Pam Osinski, a senior at Monte Vista High School, was crowned Homecoming Queen in ceremonies last Friday night between halves of the Monte Vista-Granite Hills football game. She was selected from five candidates by voting of the senior class. While Miss Osinski with a winner, the Monte Vista football team was a loser — 20-0 at the hands of the Granite Hills Eagles. Brown Beats French in Race For County Supervisor's Post

There were some local surprises in Tuesday's election but the presidential outcome was correctly predicted by the polltakers.

NBC conceded the election to Richard M. Nixon about 6 p.m. Tuesday. George McGovern conceded several hours later.

The nearest to a strictly local contest was for the supervisorial seat vacated by Henry Boney in the Second District.

El Cajon City Councilman Dick Brown defeated San Diego City School Board Member Gene French in that one.

All totals are semi-official.

Brown 72,711
French 57,491

Harry Scheidle, former supervisor of the Second District before being re-districted to the Third, was defeated.

Harry Scheidle 63,685
Lou Conte 69,637

Wadie Deddeh experienced no difficulty in holding his post as Assemblyman in the 77th District.

Trustees To Meet Friday For Decision

A special meeting of the next year should the "B" board of trustees of the Grossmont Union High School District has been called for Friday evening at 6 p.m. for the purpose of discussing recommendations of the district's citizen's advisory committee.

The committee was scheduled to meet last night to finalize suggestions to the district on the Valhalla High School question.

Valhalla is the district's proposed ninth high school to be constructed for the purpose of alleviating over-crowded conditions at Mt. Miguel and Monte Vista High Schools. Both schools are now on double sessions.

The advisory committee's suggestions were expected to be against a bond election for financing the school, and in favor of constructing the school to the "B" level.

That would mean that no bond election would be scheduled for next year, as was earlier speculated.

Three levels of completion for the school have been discussed. The "A" level, which could be constructed from a money raised through a special tax levied this year, would support a ninth-grade only program.

The "B" level, which could be constructed with money raised by this year's special tax plus another special tax next year, would support a limited enrollment for a four-year program.

The "C" level could also be constructed from a bond issue, with the special tax money used to lower next year's tax rate.

The "C" level, which would almost have to be constructed through a bond issue, would be the entire school, with full programs and a maximum enrollment.

The special tax, which is currently 28.5 cents per \$100 assessed valuation, would be increased to about 33.9 cents.

More Apples Ordered By LG Kiwanis

The Lemon Grove Kiwanis Club had a problem with its annual Apple Days program, but it was a problem the club would like to have every year.

After the club emptied a box car load of fruit, amounting to 100,000 apples, local residents and businessmen asked for more. The box car was empty after only two days of sales, the fastest in the 17-year history of the program.

To accommodate those who seek more apples, the club is now taking orders for another load, which is scheduled to arrive in about four weeks. The re-order is the first time the club has had to call for additional apples.

Money from the sale — which has netted a profit of about \$2,800 so far — will be used for several Kiwanis youth projects, including the Mt. Miguel Key Club, the Lemon Grove Youth Center, the Helix, Mt. Miguel and Lemon Grove Junior High marching bands, vocational education projects, and the South American Earthquake Relief.

Apples in the re-sale will be offered for the same price — \$10 per box or \$5 per half box. Orders can be made with any Kiwanis member or by phoning 463-8429, 460-9101, 460-6431, 469-1234, 469-5201, or 447-0592, said.

No Contest Plea Entered At Hearing

A Lomita Village man who was arrested last month on charges of kidnap, child molestation and sex perversion, pleaded no contest at a preliminary hearing to one count of sex perversion.

Taken into custody at a Lemon Grove bar after his vehicle was seen parked there by a passing California Highway Patrolman was E. G. Wilson, 35.

According to reports from the Sheriff's Department, a twelve-year old boy and his 13-year old companion were allegedly enticed into the suspect's car after the suspect had asked directions to a Lemon Grove market.

After passing the market, the youngsters reported that they became scared and one of the boys shouted out the window of the car for help.

The suspect reportedly continued to a semi-remote area in Lemon Grove, where he forced the boys into acts of sex perversion, they reported.

One of the youngsters wrote down the license number of the vehicle on the palm of his hand and then reported the incident to the Sheriff's Department.

The victims both gave descriptions of the car and of the suspect, and Wilson was later arrested by deputies and identified by the victims.

James Dorman Gets Nod On Fire Board

James V. Dorman, a Lemon Grove attorney, has been appointed to fill the unexpired term of John N. Hemmer on the Lemon Grove Fire Protection District board of directors.

Hemmer, who lived on Meadow lane in Lemon Grove, was recently promoted to branch manager of the stocks and bonds firm with which he was associated. The promotion included his transfer to Peoria, Illinois. He had been elected to a five year term on the fire board in November, 1971.

Dorman, of 7615 Circle dr., Lemon Grove, is chairman of the Lemon Grove Planning Association; a member of the Lemon Grove Elementary School District governing board; president of the L.G. Lions Club, and director of the L.G. Chamber of Commerce.

His term on the Lions Club will be completed next year and the Planning Association duties are "leveling out," he said.

Musical Group Due

At Skyline Church

Free Spirit, a group of eight young people, will present a musical concert Sunday at 5:30 and 7:30 p.m., Skyline Wesleyan Church.

The Christian collegians represent the Free Methodist Church. The team is sponsored by the Department of Christian Education through its office of Youth Ministries.

"Feel" may suggest "sensation" or "sentir" in Spanish. This permits us to say "Me gusta la sensacion de camisas nuevas." (I like the feel of new shirts.) or "Me agrada la sensacion de los guantes de cuero." (I like the feel of leather gloves.)

"Sentir" can take many forms to express "feel." A popular one is seen in "sintio" which means "did feel" or "felt." This may appear in phrases like "Que sintio usted?" (What did you feel?) and "Se sintio usted bien?" (Did you feel well?)

"Senti" is another variation of "sentir" which means "I did feel" or "I felt." This may appear in phrases like "Me senti mal." (I felt bad.) and "No me senti nada." (I didn't feel anything.)

"Siente" is the form of "sentir" which can mean "feel" in the present tense. For example we may say "Se siente frio en este cuarto?" (Do you feel cold in this room?) and "Como se siente usted ahora?" (How do you feel now?). A response to either of these questions might be "Me siento muy comodo ahora." (I feel very comfortable now.)

"Sensibilidad" is the Spanish word for "feeling." This might be used in expressions like "La sensibilidad ha salido de mis manos." (The feeling has left my hands.) and "Ti-

ene usted sensibilidad en sus dedos?" (Do you have feeling in your fingers?).

You may enjoy the following phrases which highlight the variations of "feel" and "feeling" as expressed in the Spanish language. You may practice saying them with the aid of the recorded voice that says them for you when you dial 276-2762 on the telephone. Try it now.

IMPORTANT PHRASES:

"Me agrada la sensacion." (meh ah-GRAH-dah lah sehn-sah-see-OHN) "I like the feel."

"Se sintio usted bien?" (seh seen-tee-OH oo-STEHD bee-EHN) "Did you feel well?"

"Me senti mal ayer." (meh sehn-TEE mahl ah-YEHR) "I felt bad yesterday."

"Tiene usted sensibilidad en sus dedos?" (ee-EH-neh oo-STEHD ehn soos DEH-dohs) "Do you have feeling in your fingers?"

"Hay mucha sensibilidad en mis dedos." (AH-ee MOO-chah sehn-see-bee-dahd ehn mees DEH-dohs) "There is a lot of feeling in my fingers."

"Me siento frio en este cuarto." (meh see-EHN-toh FREE-oh ehn EHS-teh koo-AHR-toh) "I feel cold in this room."

No other food is as old as cheese, with written records dating back to 4,000 B.C. The first cheese factory in the U.S. was built over 100 years ago.

Ginn Retirement Recognition Set

A retirement recognition service and reception for Rev. and Mrs. Lewis E. Ginn will be held at 2:30 p.m. November 12 at the Bancroft Baptist Church, 2300 Bancroft dr., Spring Valley.

The recognition service will be held in the sanctuary of the church from 2:30 to 3 p.m., with an informal reception held in the school cafeteria across the street from 3 until 5 p.m.

Reverend Ginn has been a Baptist pastor for 27 years, the past 17 years at the Bancroft Church. He is having to retire because of health and physical disability.

During the ministry of Pastor Ginn at the Bancroft Church, considerable progress was attained, including a sanctuary building which was built. Several additions have been made to the educational facilities, an adequate paved parking lot was constructed, and a nursery school and day care center were established, providing a needed contribution to the community.

Reverend Ginn has been named pastor emeritus by proclamation of the congregation. In retirement, he hopes to keep as active as his health will permit in helping with Christian activities, he said.

Friends and acquaintances of Rev. and Mrs. Ginn and of the church are cordially invited to both the recognition service and to the reception.

ANNIVERSARY CELEBRATION — Young Alycia Thompson gives his approval of items to be sold at the Lemon Grove United Methodist Church bazaar November 18. With the youngster are Mrs. Marguerite Hensley, left, dinner chair-

man, bazaar chairman Mrs. Carol Thompson, pastor Tom Rothhaar, and anniversary celebration chairman Mrs. Dorothy Armstrong. The bazaar will be part of the church's 20th anniversary celebration.

Lieberman To Conduct Bible Conferences

Eddie Lieberman will conduct a Bible conference series on the "Second Coming of Christ" during the week of November 5-12, at the First Baptist Church of Lemon Grove.

Lieberman, studied in a Jewish home, trained at the Baptist Bible Institute, the New Orleans Baptist Theological Seminary, Mars Hill Baptist College, Baylor University, and the University of Tennessee.

In 1939 he came to the New Orleans Theological Seminary as a professor, later leaving

Lieberman

the Seminary to enter the Pastorate. He had successful Pastorates in Alabama and South Carolina.

Lieberman has conducted Bible conferences in some of the largest churches in the nation and has appeared at Baptist Retreats and State Evangelistic Conferences.

He will be conducting conferences at 7:30 p.m. each evening, except Saturday, and will be the speaker at the regular services at 8:30 and 10:45 a.m. Sunday, at 2910 Main st. The public is invited.

In Uniform

Dennis Bailey

Dennis K. Bailey, son of retired Chief Petty Officer Keith Bailey, of 2515 Sweetwater rd., Spring Valley, has been promoted to sergeant in the United States Air Force.

Sergeant Bailey is a plumbing specialist at Torrejon AB, Spain, with a unit of the U. S. Air Forces in Europe.

He is a 1969 graduate of Norte Vista High School.

The sergeant's wife, Carol, is the daughter of Mrs. Evedina T. Lerma, of Riverside.

Methodist Church Marks Twentieth Anniversary

The 20th anniversary celebration of the Lemon Grove United Methodist Church will be November 18 and 19 and will be highlighted by the Women's Society of Christian Service's annual bazaar, which will be from 10 a.m. to 8 p.m. November 18.

Included in the bazaar will be an anniversary dinner served from 5:30 to 7:30 p.m. in Don Cooke Fellowship Hall. Tickets, which may be purchased from any member of the society, are \$2 for adults, \$1.75 for juniors 12 to 16 years old, and 75 cents for children under 12.

On tap the following day will be an anniversary celebration and commitment morning church service, followed by birthday cake and coffee.

The Bazaar will offer many Christmas decorations, gifts and many one-of-a-kind hand-crafted items such as panda bears. All items will be available during the day. A pictorial display will be set up in the hall recalling building periods and volunteer work by members on each building.

Twenty years ago, on November 23, 1952, Rev. C. Norcross gathered together between 20 and 30 people who were willing and interested in having a Methodist Church in Lemon Grove and a charter was issued. A year later Rev. Don Cooke was appointed by the Southern California Arizona Conference to lead this young new congregation. During his ministry of seven years, the first meeting place was built, followed by the first education wing of four classrooms in 1957, the parsonage in 1958 and the second education wing in 1960. Myrt Tenbroek was the first educational assistant.

In 1960, Rev. Jordan Detzer was appointed and under his guidance and the assistance of Rev. Arthur Kent, the magnificent sanctuary was built during 1963 and 1964 and dedicated June 28, 1964, by Bishop Glen Phillips. During this time Gary Snapp was hired as part time youth worker, followed by Ronald Wise, Mrs. Billie Possee, Mrs. Virginia Wyatt and the appointment of an Associate, Rev. Briggs Dillard, in July, 1964. The Sanctuary was built to seat 600 and includes a pastor's office, choir practice room, bride's room, nursery and church office.

Rev. Fred Strathee was appointed in 1965 and brought a concern for youth and music, organizing the St. James Singers, who travelled extensive-

ly each of two summers throughout the United States. Tom Brace was working with the youth then as a Youth Director.

1968 brought the appointment of Rev. Tom Warner to the church and a rapid growth was experienced during his two and half years' service. Dave Warfe was hired as a Youth Director during this time.

In February, 1971, Rev. Tom Rothhaar was moved to the Lemon Grove Church and still another type of ministry was presented to the congregation.

Three young men from the congregation have entered the ministry, David Corbin, Bruce Stafford and Steve Rosemary.

Former L.G. Minister Retires Again—and Again

Back from Cebu, the Philippines, on Friday, from his second retirement came Dr. John Chase, former minister of the Lemon Grove Christian church.

Dr. Chase organized the church, which is now at 6970 San Miguel, four and a half years ago. A year ago he retired and went to Cebu leaving his congregation to the Rev. Mike Maxon. In Cebu he filled in at the Christian Bible Seminary there and "did a little preaching."

Retiring again, and returning to the States, he stopped for a few days in Lemon Grove to visit his wife's sisters; Lillie Smith and Mrs. Dora Jones, of 3267 New Jersey. From here Chase and his wife left for Los Angeles where the couple will set up their home.

"We chose Los Angeles because there is a need for supply ministers there and I can keep busy on the weekends," he said. Just to get back in the swim, the couple will attend a Christian Missionary convention in Phoenix Nov. 21-24.

Dr. Chase reported that martial law, recently decreed in the Philippines, did not affect the operation of churches there.

Enroute home, the Chases visited Seoul, Korea, where he had established the first Christian church in 1936. There are now 150 Christian churches in Korea; four Christian colleges and five orphanages. He has revisited Seoul eight times since but it was different this time, he said. "There is martial law in Korea as in the Philippines," he said. "But in Seoul tanks and armed guards are in profusion. In the Philippines none were discernible. In Seoul churches are operat-

Las Donas Set Luncheon Party

Las Donas Past Presidents' Club will hold its second annual "Fun and Games" luncheon card party Nov. 14 at 11:30 a.m. The club flower, the red rose, will be used in decorating the Lemon Grove Woman's Club, where the event is to be held.

Club President, Mrs. L. F. Vlach, of Lemon Grove, said that proceeds from the event will be used in the club's scholarship fund. At the present time a student at San Diego State University, Kathleen McCreary is being assisted by the club. Miss McCreary is in her second year of studies in the field of zoology.

Tickets are \$2.50 per person and reservations may be made with Mrs. R. B. McArthur at 444-7734. The luncheon card party is open to the public.

'Harvest Festival' Set By La Mesa Church

The ladies of the Women's Society of Christian Service of the First United Methodist Church of La Mesa will offer a large selection of home-made baked goods, jellies, jams and many other foods on sale at the "Harvest Festival" Saturday from 9:30 a.m. to 3 p.m.

Other features of the sale will include jewelry, Christmas decorations, hand-knit items and candy. A luncheon will be available in the dining room.

Mrs. Stanley Baker and Mrs. J. L. McIver, Co-chairmen, invite the public to come and "stock up on goodies for the holidays."

Reception On Tap

A reception honoring Rev. Rod Carver, new pastor of the First Baptist Church of Spring Valley, and his family, is scheduled for November 19 from 2 to 4 p.m. in the church social hall, 8758 Troy st., Spring Valley.

All pastors of the area as well as members and friends of the church have been invited to the affair, said Mrs. Carl Davis, general chairman.

Cancer Curio: One of the strangest hopes for curing cancer in the past was the use of zinc-lined pine boxes, American Cancer Society.

HOLIDAY FAIR — On tap Friday and Saturday will be the St. Philip's Episcopal Church fall bazaar, this year dubbed "Holiday Fair". Included in the affair, which will open at 10 a.m. and close at 7 p.m. both days, will be food, games,

booths, and prizes. In photo, Rector Kenneth Johnson gives his approval of gift items constructed by Mrs. Robert Swenson, left, and Mrs. David Kniffing.

At last month's meeting of the club, installation of officers, and distribution of leader stripes and certificates, star ranks, and special awards took place.

Willie Frank was installed as president, Heidi Obertreis became the new vice-president, Cindy Giacomini was seated as secretary, the treasurer's post was filled by Karen Frank, and Scott Anro became historian.

Junior leader stripes were presented to Diane Allen, Scott Anro, Cindy Giacomini, Ed Giacomini, John Handberry, Willie Frank, Karen Frank, Gary Stark, Teresa Stark, and Rick Stark.

Bronze stars were awarded to Debbie Allen, Scott Anro, Vickie Frank, Tim Giacomini, John Handberry, Delia Espinola, and Mary Espinola.

Silver stars went to Diane Allen, Jonathan Allen, Cindy Giacomini, Karen Frank, and Tony Espinola.

Special awards for outstanding records in their fields were given to Cindy Giacomini for her work with home furnishings, Scott Anro for rabbits, Jonathan Allen for dairy cattle, and Ed Giacomini, also for dairy cattle.

BIKE-ATHON — Six-year-old diabetic Gregg Tallian, of Lemon Grove, shows the determination he will use when he rides 25 miles in the Diabetic Bike-a-thon Sunday, Dec. 3.

Local Family Due In Diabetes Bike-a-thon

Mr. and Mrs. Steve Tallian and their family, of Lemon Grove, will participate in the first San Diego Diabetes Bike-a-thon December 3.

The Tallian family will fall in behind Bike-a-thon Grand Marshal Brett Mauldin, a 14-year-old diabetic who cycled across the country in July, as the 25-mile bike ride begins.

The affair, which will also include the participation of six-year-old Gregg Tallian, a diabetic, will be conducted in East San Diego and in the South Bay, beginning at 8 a.m. Riders may pick up entry forms from McDonald's Restaurants, bike shops or the Diabetes Association office, 1970 Third Ave., San Diego.

Riders should then get sponsors who promise to donate to Diabetes any amount of money they choose to pledge per mile for whatever distance the riders travel. The event is not restricted to any age group.

Both courses, which are mapped in application forms, average approximately 25 miles and the 10 top bike riders will receive prizes. A similar but smaller ride sponsored by the Diabetes Association in Los Angeles last month drew 2,000 riders who raised approximately \$25,000 for diabetes research, detection, education and summer camp programs.

Brett Mauldin, the Bike-a-thon Grand Marshal, successfully completed his own super ride — 2900 miles from the Western White House to the Nation's Capitol in 25 days.

"A well-controlled diabetic can do anything anyone else can do," said Brett.

SV Rotary to Meet
The weekly luncheon-meeting of the Spring Valley Rotary Club will be Friday at 12:10 p.m. in the Ox Bow Inn, Campo Rd., in the Casa de Oro area. All Rotarians are welcome, said president Greg Barker.

Guest speaker will be president-elect Jack Kelso, who will read some of his original poetry.

Mrs. Manly, a native of New York, lived in this area for 26 years and was at attorney for 16 years with her own offices. Conrad Lemon Grove Mortuary was in charge of arrangements.

Surviving are a daughter, Janet Gastil, of La Mesa; and two sisters, Margaret Keyser and Frieda Houghton, both of New York.

B. D. Walters

Services were held Wednesday afternoon in the Conrad Lemon Grove Mortuary Chapel for Mrs. Bessie D. Walters, 84, of El Cajon, who died Sunday at Wilson Manor Nursing Home in Spring Valley.

Mrs. Walters, a county resident for 40 years, was buried in Mt. Hope Cemetery.

Survivors include a son, King Ellis, of El Cajon; a daughter, Helene Boedecker, of Long Beach, California; and two sisters, Lucy Freeman, and Grace Carson, both of Imperial Beach.

Annual Pheasant Meeting Tonight

How to hunt the tricky ring-neck, particularly in the alfalfa fields of Imperial Valley, will be blueprinted for eager sportsmen tonight, when the San Diego County Fish and Game Association holds its annual pheasant meeting in the Balboa Park War Memorial Building, starting at 7:30 p.m.

Four men well versed in the art of bringing the gaudy roosters to bag will be on hand to point out the areas most heavily planted with the birds and to describe some of the tricks which have been very productive in the past.

The quartet will include Dayton Frost, who will serve as the program moderator; Vic Benton and Dan Mueller, members of the Imperial Valley Fish and Game Commission, and Capt. John Roumas, set, of the Department of Fish and Game.

All of the men have been prominently associated with the planting of the 16,400 allotted birds and their advice might mean the success or failure of the hunter.

Special movies also will be shown and the public is invited to attend.

Auto Accident Toll

NEW YORK — Among the 115,000 persons killed in accidents in 1968, a record 55,200 died in auto crashes, says the Insurance Information Institute. More than 4.4 million persons were injured in auto accidents.

'Thanks - For - Giving' Marked by Goodwill

Goodwill Industries of San Diego County has set the month of November as "Thanks-For-Giving" month. The local observance is part of a nation-wide effort to thank the public for its year round support.

A. J. Sutherland, president of San Diego's Goodwill Industries, said Thanksgiving is a very special holiday for his organization's handicapped workers.

"Without the assistance and support of the people of San Diego County," he said, "the handicapped people of this community wouldn't have a chance . . . a chance to rise above their personal problems, earn a living, and lead a better life."

Sutherland pointed out that contributions of usable clothing and household items to

Goodwill Industries have provided material benefits for the handicapped, such as job training, rehabilitation programs, jobs and income. "By repairing donated items," Sutherland said, "these people repair their own lives."

Public support has given these handicapped people self-respect, dignity, self-support, independence and a feeling of usefulness to the community," Sutherland said.

"During November Goodwill Industries says to the San Diego Community: 'Thanks-for-Giving.'"

CHRISTMAS PROGRAM — Four-year-old Wendy Lake was among the first Lemon Grove youngsters to donate toys for needy children in Lemon Grove. Miss Lake decided to donate a basketball which was a little too big for her anyway. On hand to accept the donation was Lemon Grove Fireman Charles Lewis. The Fire Department, located at 7853 Central ave., serves annually as a collection

point for toys and canned goods which will be distributed to needy families in the Lemon Grove area during the Christmas holidays. The program, which was started eight years ago by Mrs. William Sayward, of 7456 Central ave., insures that donations are used for local families first. Extra goods are forwarded to the Marine Corps Toys for Tots program.

Program Planning On Women's Agenda

Mrs. Fred Ward will present a program on Federated Women's Clubs and Program Planning tomorrow at 1:30 p.m., in the Lemon Grove Woman's Clubhouse, 2810 Main st., Lemon Grove.

Tea hostesses are Mmes. David Coleman and Ira Durham.

The Garden Section met Wednesday to hear a talk on English and Irish gardens, with slides shown describing the subject.

The Book Forum will meet at 1:30 p.m. on Friday, November 17, at the home of Mrs. William Bowlin. Plans will be made for the annual Christmas tea. Book Section members will be guests.

DECA Conference To Draw Local Delegates

The California Association of Distributive Education Clubs of America. State Delegates Conference will be held at the Hilton Inn in Oakland November 10-12.

The purpose of the conference is to elect state officers for the year and to plan the state's program of activities. Attendance is limited to two student delegates for each chapter and their advisor.

Helix High School will be represented at the conference by senior Tom Harris, Chapter President; junior Norma English, and their advisor, Robert Eckert.

PTA HILITES

Monterey Heights

Helix Band Gets Tourney Sweepstakes

The Helix High School marching band returned from the Chaffey Tournament of Bands recently with sweepstakes awards, as well as individual honors.

The band, competing in the morning parade, claimed the Showmanship Sweepstakes Award with 196 of a possible 200 points. In the parade, the bands specialty corps, the "Hi Steppers", claimed the Corps Sweepstakes, with a score of 96.7 out of 100. Drum Major Steve Redmond earned the drum major award with a 95.0 score.

In the evening, half-time show competition was held, with Helix claiming the Sweepstakes with a 93.6 score. The band performed with two banner corps and the school bagpipe band, bringing 180 students into the competition.

Tough Schedule Faces Matadors Starting Sat.

Mt. Miguel's Marching Matadors will be among 40 outstanding San Diego and Los Angeles area high school units performing in the Hawthorne (Calif.) Band Review Saturday.

The 123-piece band, the 10-girl Banderette group and 28-member cape corps will face the first of three stiff November competitions which will pit them against the finest high school musical aggregations in Southern Cal.

Under the leadership of director Dean Immel, the Matadors will play "National Emblem March."

Miguel will take part in the West Arcadia Band Review, November 18, and the 32nd annual Long Beach All Western Band Review, November 25.

In two previous competitions this season, the Matadors won first place awards in both the Fallbrook Festival and the Autumn Band Review. Mt. Miguel finished third in Class AA division last year at Hawthorne.

Wednesday, the 20-piece orchestra will make its debut in a concert with the school choir in the Mt. Miguel cafeteria at 3 p.m. The orchestra is to play "The Don Quixote Suite."

Larsen Concert Saturday Night

Lyn Larsen, nationally-known theatre organist will be presented Saturday night at 8 p.m. in the auditorium at Southland Music Center, 3459 Imperial ave., Lemon Grove.

Larsen is no stranger to San Diego organ fans. Although young, he has traveled the continent many times, giving concerts in every major theatre from Seattle to Miami and from San Diego to New York.

In addition, Larsen has been to Australia both in concert and on TV. Under the Essential and Malar labels, Larsen has recorded over a dozen long-playing stereo albums. Between junkies across the states, he has been heard on ABC's General Hospital as organist.

In addition to the theatre organ music, the Laurel & Hardy silent comedy will be shown. To round out the entire evening, the audience will participate in an old fashion community sing along.

Tickets are available by mail, during store hours, or via phone, 463-0308.

AMIGOS — Jeanette Jones, left, Dr. Myron Fessler, Thom Whigham, and Dan Swier, all involved in the Amigos de las Americas program, go through a practice session in preparation for a summer in Latin America under the teen-age medical help project. Students in the program help back-

ward nations where sanitary conditions are often poor, providing vaccinations and first aid care. All three students hope to go this summer. Fessler, a Lemon Grove Physician, is one of several adult leaders who train the students for the trip.

Amigos de Las Americas Gird For Summer Youth-Help Project

A successful summer program of youth-help to the poor people of Central and South America has been completed, and the Amigos de las Americas organization is getting ready for next summer's work there.

Lemon Grove physician Dr. Myron Fessler, who is a leader in the youth project, explained that, during the summer months, youngsters 16 and over are sent to the poor countries where they administer vaccines, work in medical clinics, and teach English.

Prior to their trip—which lasts for three weeks—the youngsters undergo over 100 hours of training in meetings held weekly from January to June. The meetings are divided into three parts: medical training, Spanish language, and Latin American culture.

Medical training involves learning techniques for giving inoculations as well as first aid and medical assistance. Youngsters practice on each other and take field trips to health facilities.

Spanish lessons and cultural preparation are necessary because the Amigos live among the people in villages where little English is spoken and American customs are unknown.

Included in the training are two weekend retreats for intensive learning.

During the training session, the Amigos must do more than just learn. They must also raise money for the project. Each Amigo must contribute at least \$250 toward traveling expenses, plus about \$50 in equipment and clothing costs. Additionally, Amigos help in raising some \$300,000 to \$400,000 needed to keep the program going and purchase medical and other supplies.

Tax deductible contributions can be sent to Amigos, Box 2353, La Mesa, Ca., 92041.

Presently, the San Diego Chapter of the nationwide organization is looking for Amigos, who must be 16 years old by February 1, as well as adult volunteers to help train the youngsters. Over 60 Amigos from the local chapter are expected this year.

The program is a rewarding one, according to Dan Swier, 17, a senior at Mt. Miguel, who participated in it last summer. Swier spent two weeks at a hospital in Apia, a town of 6,000 in Columbia, then one week in the village of Pueblo Rico, a Colombian town of about 2,000, where he worked in a clinic.

While there, he taught English and administered vaccinations to about 1,500 children.

In Apia, the only bathtub and shower was located at the hospital, while Rico was much more primitive, Dan said.

Most of the people he saw suffered from malnutrition, he said.

Sol Recreation Center, 53319 Orange ave., San Diego.

Whigham indicated that the group also took mule trips to surrounding villages, where they administered more vaccinations.

Another Mt. Miguel student, 17-year-old Jeanette Jones, stayed in Columbia during

her term, where she worked at a hospital as an assistant.

Her group gave over 2,000 oral polio vaccines. Included in her experiences was an opportunity to see a hysterectomy being performed at the hospital. The next time she goes down she will be able to assist in surgical operations.

One of the things that impressed Miss Jones was the coffee in Columbia, which is not bitter at all, she said. She also enjoyed playing with children there, who enjoy throwing a Frisbee and blowing up balloons.

Another local youngster, Thom Whigham, 17, also a student at Mt. Miguel, visited the poorest country in Central America last summer.

Thom was sent to Cabanas, Honduras, where his group immunized 1,180 people against various diseases, easily surpassing the goal of 457.

All three local youngsters are hoping to be able to go again next summer, but financing could be a problem.

Parapsychology Series Continues

Grossmont College's Office of Community Services will this evening continue the series devoted to the various aspects of parapsychology titled "What Parapsychology Means to You," when John Logan and Kay Sterner, speak on "Kirlean Aura Photography" and "Paranormal Tape Voice Experiments," at 8 p.m. in the Spring Valley Junior High School auditorium.

The program will be repeated at 8 p.m., Friday in the Student Center at Grossmont College when Mrs. Sterner and James Mullin discuss "Radiesthesia, the Aura and Kirlean Photography" and "Paranormal Tape Voice Experiments."

Mrs. Sterner, a leader in the field of parapsychology as well as president and spokesman for the California Parapsychology Foundation, has been involved with parapsychology for a number of years. Logan, also a member of the California Parapsychology Foundation since 1963, has lectured widely on Astral Projection, Psychometry and Yoga.

James Mullin, chairman of the research committee of the California Parapsychology Foundation, is a high school teacher who has presented courses in parapsychology at the University of California San Diego Extension as well as serving as a philosophy instructor at Grossmont College.

The public is invited to hear three leading authorities in the field of parapsychology. There is no charge for admission.

Arizona has about 7,000 farms and ranches with the average size being 5,500 acres.

Sonata Recital Set Tomorrow At Grossmont

Grossmont College's Department of Music will present faculty members Charles MacLeod, clarinet, and Larissa Janczyn, piano, in a Sonata Recital at 8 p.m., November 10 in the Fine Arts Recital Hall.

The duo will open the program with Sonata opus 167 by Saint-Saens followed by Schubert's Sonata-Concerto. After a short intermission, they will return to play Hindemith's Sonata (1939).

MacLeod, a member of the Music Department faculty since 1966, is principal clarinetist with the San Diego Symphony, a member of the San Diego Wind Quintet and conductor of the Civic Youth Orchestra II. He has appeared in numerous recitals in the San Diego area and is a graduate of the Eastman School of Music and received a masters degree in Secondary Administration from Boston University and a masters degree in Music from California State University, San Fernando Valley.

A native of Oressa, Russia, Miss Janczyn received both a bachelors and masters degree in Music from the University of Montana. While attending the University of Montana, she performed numerous recitals as well as playing with the Missoula Symphony Orchestra. She was an instructor at the University of California, Santa Barbara for several years before joining the Music Department faculty at Grossmont College in 1968.

The public is invited to the evening Sonata Recital featuring Music Department faculty members. There is no charge for admission.

County Representatives To Attend Meeting

Three representatives from the San Diego County Council of Camp Fire Girls will attend the 1972 National Council meeting in New Orleans, Friday and Saturday. They are council president Ralph E. "Mike" Graham, council development chairman Mrs. Carolyn V. Allen, and Paula Torwicz, Horizon Club member.

Graham and Mrs. Allen are members of the National Council and Paula, a Pt. Loma High School sophomore, will be one of six Pacific Southwest Region Horizon Club members acting as advisors to the National Council.

For the first time, Horizon Club members of Camp Fire Girls will participate as official voting members at the youth organization's meeting. This is a major step toward youthful involvement in the agency's decision-making on a national level. The National Council is the official policymaking body of the national organization.

Tigers-Aztecs Showdown May be Toughest Grid Game

The Pacific Tigers have been waiting four years to spring a trap on San Diego State. They hope to spring that trap Saturday starting at 7:30 p.m. in San Diego Stadium when the two teams meet in a PCAA showdown football game.

Pacific comes into the game with a seven game winning streak and a 7-2 record while the Aztecs have won three in a row and have a 7-1 record. More important, however, Pacific is 3-0 in conference play and San Diego State is 2-0. The winner of Saturday's game would be in the driver's seat as far as the conference crown is concerned. The Aztecs have only Cal State Long Beach to play in conference while Pacific is through with conference play after Saturday.

San Diego State has frustrated the Tigers the last three years in conference play, beating Pacific 58-32 before 48,632 the second largest Aztec crowd in history in 1969, 14-13 in 1970 in Stockton and 14-7 last season in San Diego before 39,464 fans. The series is tied 7-7 but San Diego State has won the last six games in a row, dating back to 1962.

The Aztecs finally opened up the passing game against West Texas State last week, throwing for 356 yards. Bill Donkers hit 12 of 25 for 131 yards and a TD while Jesse Freitas had 14 of 22 for 175 yards and a score. Curtis caught only one pass, but it was a 70 yard TD bomb from

Donkers. The Aztecs won 37-6. San Diego State escaped the West Texas game without any serious injuries, but did suffer a large amount of bumps and bruises. Defensive end Jim Peterson, who missed last week's game against Fresno State, played part of the fourth quarter and made two tackles. He will start against Pacific.

Peace Corps Plans Recruit Drive Locally

A November recruitment drive in the Imperial Valley and San Diego area for volunteers with farming experience or backgrounds was announced by Peace Corps representatives in San Diego.

Nicaragua, a Central American country bordered by the Pacific Ocean and one of 57 developing nations served by Peace Corps Volunteers, is currently requesting 45 farm applications from Imperial Valley and the San Diego area. Peace Corps area manager Ralph S. Coleman said that the project was formed one year ago to increase the income of small farmers and is being expanded in 1973 with the full support of the Nicaraguan Government and the National Bank of Nicaragua.

"Volunteers will be introducing new ideas in basic grain production, increasing the proper use of credit through cost production methods and helping the farmers to buy supplies and sell their crops collectively," Coleman said.

'What the Butler Saw' Is Old Globe Farce

The Old Globe Theatre production of the English farce, "What the Butler Saw", opens November 14 for a five week engagement.

Performances are scheduled nightly except Monday. Two Sunday matinees will be presented on November 19 and December 3.

A psychiatrist's office in a clinic for the insane is the focal point of action in "What the Butler Saw." As the comedy begins, the doctor is interviewing a young girl to be his secretary, but seduction is on his mind. Soon after his wife arrives complaining she has been attacked in a hotel by a bellboy. Her activities in the hotel are questionable. The bellboy emerges on the scene threatening her with blackmail.

Adding to the increasingly comic complications, a government inspector arrives to investigate procedures in the clinic. What he observes are people rushing in and out, curtains opening and closing amid a general atmosphere of absurd shenanigans.

Enlisted military personnel may purchase tickets for \$2, available for all performances except Saturday evening.

The Old Globe Theatre recommends that "What the Butler Saw" is not appropriate for young children.

Rome is now said to have one automobile for every four citizens and if the trend continues by 1985 the ratio may be one for every 2.5 persons.

NEAT FIGURE — Figure skating stars Marilyn Cooper and Bruce Jarman are figure skating teachers at the House of Ice, Lake Murray Blvd. and Highway 8. The team was starred in "Ice Capades". Miss Cooper, a San Diegan, began her career as

a dancer with Starlight Opera before turning her talents to skating. Miss Cooper and Jarman will soon tour South Africa before returning to teaching again at the House of Ice.

Espinosa To Perform At Grossmont College

The intricate and colorful rhythms of Spain will resound in the student center at Grossmont College when Francisco Espinosa, one of Spain's greatest guitarists, performs at 8 p.m. tonight.

Presented by the college's Office of Community Services, the noted guitarist is currently on his fifth coast-to-coast personal appearance tour.

Famous on both sides of the Atlantic for his musical repertoire and his renditions of Spain's most dazzling Flamenco, folkloric and classical guitar masterworks, Espinosa has received wide-spread acclaim and standing ovations throughout the United States on previous tours.

For his second appearance at Grossmont College, Espinosa will emphasize the Flamenco and folkloric facets of his repertoire. During his two-hour program, he will play fandango, tangos, bulerias, jotas, alegrías and zapateados.

According to Espinosa, Flamenco guitar music is handed down from one generation of guitarists to another. It is never recorded on paper as the music for classical guitar is set down. A Flamenco guitarist learns the basic theme for a number and then gives it his own particular embellishments which may vary according to his mood and the circumstances at the moment from one performance to the next.

Lake Miramar Stocked

Lake Miramar will reopen Tuesday stocked with 5,000 lbs. of hook-hungry trout for fishermen of all ages. Miramar also boasts Florida bass, bluegill and red-ear sunfish.

The lake will be open Tuesdays, Saturdays and Sundays from 6 a.m. to sunset.

Daily fishing permits may be purchased at the lake. Boat rentals are also available. For more information, call 236-5532.

Espinosa made his professional debut at the age of 16 and studied with both classical and Flamenco masters in his native Cadiz. He has made numerous international recordings and recently was awarded a Grand Prix du Disque, France's equivalent of the American "Gold Record."

The public is invited to hear one of Spain's most celebrated guitarists perform on both the Flamenco and classical guitar. There is no charge for admission.

SD Stadium Concert To Benefit Crusade

Local young people will have a chance to "rock for the United Crusade" at a mammoth international rock concert at San Diego Stadium Sunday.

San Diego radio station KGB is staging the event, which will be known as "The KGB Charity Ball", as announced this week by William J. McDowell, KGB general manager. He said the proceeds would be donated to the United Crusade Drive, currently in progress throughout San Diego County.

Six top rock bands, including the famous Quicksilver Messenger Service, have been booked for the show, which will run from 11:30 a.m., until dark at the stadium.

To make it possible for more young people to attend, a single admission price of \$1.01 will be charged for all seats, whether in the stands or on the playing field.

In addition to Quicksilver,

the program will feature Dr. Hook and The Medicine Show, whose record "Sylvia's Mother" was number one in the country earlier this year.

Boone's Farm, a San Diego favorite following an earlier appearance here, is also scheduled on the program.

Ron Jacobs, KGB producer of the show, announced that the top English rock group, Foghat, had agreed to appear. Foghat is made up of former members of the Savoy Brown group.

The concert will be the first pop music event to be held in San Diego Stadium. Tickets can be purchased at ticket window "E" at the Stadium box office.

Johns To Entertain

Underprivileged Kids

Ernie Johns, of 2995 Crane St., Lemon Grove, will be on hand next Thursday evening for a pre-Thanksgiving dinner to be held for children of the Nazareth House, a day care center for underprivileged children.

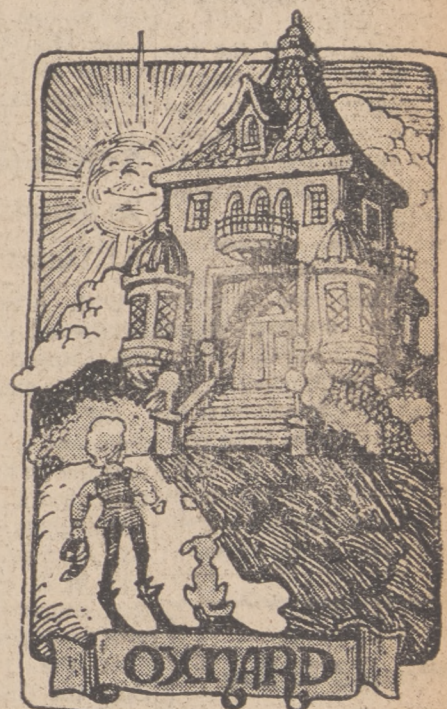

Johns, who is a member of the Al Bahr Shrine Clowns, will be dressed in his clown suit and will hand out clown-shaped cookies to the youngsters. The Shrine Clowns were unable to provide the entertainment due to a prior engagement, so Johns volunteered as an individual.

The dinner will be at Sir George's Smorgasbord in La Mesa from 5 to 6 p.m.

MAGIC TOYSHOP — Actor's Quarter Children's Theatre will present the annual Christmas show "Magic Toyshop", which opens November 11 for a Saturday and Sunday run through December 17. Included in the cast are Cricket Cody, left, who plays the role of a Barbie Doll, and Ron Aills, who is Raggedy Andy. Both actors are from Lemon Grove, as is Darlene Downer, who will also play a feature role. The play will also include special ballet sequences by dancers from the Jeri Kish School of Ballet, of Lemon Grove. The Actors Quarter is located at 480 Elm St., San Diego, and tickets are \$1. Curtain time for all performances is 2 p.m.

Why a simple lad from Oxnard sought his fortune at La Jolla Federal.

An impoverished lad once lived in the shadow of the very rich of Oxnard. "Where did they grow so wealthy?" he wondered. After all, there wasn't much happening in Oxnard. Delivering his load of sod to the wealthy Oxnardians, he overheard the name of a wonderful place to the south where molehills of money became mountains. La Jolla Federal Savings and Loan.

La Jolla Federal. Where the highest interest allowed by law was paid on insured savings. Where fast-working home loans made dreams come true. Where a host of free services meant even bigger savings.

One day, as the Oxnardians enjoyed a foxhunt, they saw a strange sight. The little sod carrier raced toward

them, astride a white horse. "Yoiks. Talleyho," he cried. Aghast as they were, they quickly guessed the truth. The lad had transformed his little pickle jar of coins into a neat little nest egg. With a hand from La Jolla Federal. Drop in soon at a La Jolla Federal office near you. And bring your pickle jar.

Pros, Atlas Still Lead Soccer Loop

Atlas United tromped the Razorbacks, 11-1, and the Pros edged the Colts, 1-0, as the top teams in the Suburban Soccer League remained that way last week.

Atlas United holds a two-point edge over the Continentals and the Lions in the pee wee division, while the Pros lead the midget division by one point over the Cues and Rascals.

In other pee wee games, the Continentals topped the Celtics, 3-1, the Lions blanked the Hawks, 2-0, the Roadrunners overran the Rangers, 6-0, and the Royals beat the Raiders, 2-1.

In the midget league, the Cues beat the Playboys, 3-1, the Rascals blitzed the Marauders, 2-0, the Chargers zapped the Braves, 4-1, and the Rippers ripped the Monarchs, 5-0.

In the prep division, it was the Rebels over the Kingsmen, 2-1, Sparta topping the Crusaders, 3-1, and Memorial Jr. High over the Torinos, 5-1.

In this Saturday's action, Atlas United will be tested by the Lions at 2 p.m. in Sunset Park in the pee wee division, and the midget division Pros will meet the Cues at 12:30 p.m., also at Sunset Park, where league action gets underway at 9 a.m. for a full schedule of games.

The prep division schedule will see the Rebels and Memorial Jr. High at SD State's scorer field at 2 p.m., while the Kingsmen and Crusaders battle at 10 a.m. and the Kings and Torinos meet at noon at National City Jr. High.

Eagles Blank MV Gridders

Chances for the Monte Vista football team of having a winning year were officially killed last Friday night as the Monarchs lost to rival Granite Hills, 21-0.

It wasn't really a case of no offense on Monte Vista's part, but rather a rugged defense and plodding offense offered by Granite Hills.

The Eagles, one of the top passing teams in the league, stuck mostly to the ground during the contest, attempting only 12 passes for 58 yards, while piling up 216 yards on the ground.

Monte Vista quarterback Steve Perdue tossed the pigskin 17 times for 40 yards while the rushing game brought in 122 yards.

The big difference in the game was the Eagle defense in the clutch. Granite Hills continually stopped Monarch drives on key third down plays and even handled a goal-line stand late in the game.

TURNING THE CORNER — Mt. Miguel running back Steve Haynes (20) turns the corner on a sweep around right end in last Friday's confrontation with Helix. Haynes made good yardage on the play, but Helix came alive in the second

half to upset the Matadors, 26-13. Matador quarterback Jess Jenner was injured in the game and left after the local team took the lead, 13-6. Mt. Miguel will meet El Cajon at Valley Stadium tomorrow night.

Grossmont League Title Chase: 'Very Interesting'

By John Nicholson

The title chase in the Grossmont League thickened last week when Mt. Miguel fell to Helix, 26-13, and Santana was upset by El Cajon, 12-6, leaving Mt. Miguel and Helix tied for first place and Santana and Granite Hills knotted for the third spot.

Tomorrow night's action will see Mt. Miguel at Valley stadium for a clash with El Cajon, while Helix takes on El Capitan at El Cap, and Santana and Granite Hills look horns at Monte Vista. In a game that means little to the standings, Grossmont and Monte Vista will do battle at Helix.

Mt. Miguel, a team that lost its leader, quarterback Jesse Jenner, with a back injury, will take on a rapidly improving El Cajon team, which is fresh from a victory over rival Santana.

Mt. Miguel's gimpy offense should still be able to crack the El Cajon defenders for some

scores, but the big question will be if El Cajon's surprising offense can crack Miguel's still-tough defense.

In what should be a high-scoring game, El Capitan's vanishing Vaqueros will host Helix. El Capitan has suffered from a poor defense and but a mediocre offense due to injuries. Helix has no great defensive powers, but an offense that has been explosive with the running of Sam Smith and an often effective passing attack.

The Highlanders are severely hated by the Vaqueros, and after a stunning triumph over Mt. Miguel, Helix may suffer a let down while looking forward to a confrontation with Grossmont.

There will be no tie for third place after the Granite Hills-Santana game, and the contest is a must-win for both teams. The winner would still have a chance to make the CIF playoffs.

In a game that means nothing more than pride, Monte Vista and Grossmont will square off. There's little love between the two schools, and both teams will be out for victory in a big way.

All games begin at 8 p.m.

Griffins (1-7) To Try To Better Record At Yuma Saturday

With a record of 1-7, the Grossmont Griffins take on the Arizona Westerns Saturday at Yuma.

AW is a nationally rated team and it seems improbable that the Griffins will improve their record.

Unhappily, Grossmont gave S.D. City college its first victory in 31 games which further depressed Grossmont into a poor season.

In the 14-7 score against City, the Griffins were again plagued by a lack of speed. They also suffered five interceptions although 27 were completed but the yardage was small — a mere 129 yards.

Following the trip to Yuma, the Griffins wind up the season against Riverside at Aztec Bowl in a Conference game Nov. 18.

Chargers, Browns Before ABC Cameras

To banish Howard Cosell from the living room and rendezvous with Don Meredith and Frank Gifford is the secret desire of many of San Diego's female fans. Their opportunity arrives Monday night.

Television's titanic trio — Humble Howard, Dandy Don and Faultless Frank — will be at San Diego Stadium as the San Diego Chargers (25-1) battle the Cleveland Browns (5-3).

ABC's Monday night "Game of the Week" will not be televised in San Diego nor Los Angeles. Tickets are available in all price categories. Hungry for victory, the Chargers will begin the game at dinner-time, 6 o'clock.

This is the third year San Diego has hosted the Monday night game. In 1970 the Green Bay Packers beat the Chargers, 22-20, on a late-game interception by Willie Wood, now a San Diego assistant coach. Last year the Chargers beat the St. Louis Cardinals, 20-17, on a last-play 45-yard field goal by Dennis Pardee.

Sunday, San Diego lost to

the Dallas Cowboys, 34-28, on the day in which Duane Thomas appeared, Lance Alworth returned and John Hadl came roaring back with four long touchdown passes in the final 20 minutes. Hadl's heroics could not overcome a 31-0 Dallas advantage, but they were a needed tonic for the Chargers and capacity crowd of 54,476. The passes went to Chuck Dicus for 46 and 20 yards, Gary Garrison 42 yards and Dave Williams 47 yards.

San Diego Coach Harland Sware hoped the comeback would be the catalyst to arouse his mistake-prone team. "Maybe we found ourselves in the second half. We HAVE to find ourselves. We proved that this team does not quit."

Charger owner Gene Klein demonstrated his faith in Sware by awarding the first-year coach a new five-year contract after the game. "Sware has molded a helluva club, a fighting team," said Klein.

Defensive captain Deacon Jones applauded Klein's announcement. "I wish it had been for life. Harland Sware is loved by every member of our team. I'm proud to work with him and to associate with him."

On the playing field, Jones enjoyed his finest game as a Charger. The Deacon made eight tackles and two of San Diego's three sacks of Dallas quarterback Craig Morton. "Deacon played exceptionally well," said defensive line coach Walt Yowarsky, "particularly since he was up against one of the league's best tacklers (Rayfield Wright)."

After successive defeats to NFL titans Miami, Detroit, Kansas City and Dallas, San Diego was expected to welcome the appearance of Cleveland. But the Browns have won three in a row and trail Pittsburgh by only one game in the AFC Central Division.

FHA-VA Clinic Opens

A series of clinics on FHA and VA lending is underway at the Bahia hotel under the sponsorship of the S.D. Federal Savings and Loan Assn.

More than 500 real estate brokers, salesmen, escrow officers and loan processors are participating according to Steven Scarvelis, vice president of SDFS. Meetings are at 9-11:30 a.m.

Those interested in attending should contact SDFS's FHA Dept. at 234-8844.

Arthur T. Emerson Heads 'Champions'

The announcement was made by Al Couppee, President of the Board of Trustees of the Hall of Champions.

Red-Black Hoop Game Tickets Go on Sale

Tickets are on sale for the 4th Annual Red-Black Basketball game to be played Monday at 8 p.m. November 20, in Peterson Gym on the San Diego State Campus.

According to the Aztec Club, sponsors of the event, adult tickets are \$1. Student and children's tickets are 50 cents and are available at the Aztec Center ticket office on campus or at the Aztec Club office (286-6445).

With the change in N.C.A.A. rules allowing freshmen to play varsity competition, the format for the Red-Black has been altered to a Varsity-JV game.

More than 3,200 fans took in last year's game, which serves as a prelude to the upcoming season.

Helix Stops Mt. Miguel; Jenner Suffers Injury

By Doug Gegax

Mt. Miguel's chances at a Grossmont League football title were reduced last Friday night, as the Spring Valley team fell to Helix, 26-13, before a capacity crowd at Mt. Miguel.

While the Matadors slipped into a tie for first place with Helix by losing, the team had its chances of landing a CIF playoff berth increase when El Cajon upset Santana.

The loss for Santana sent the Sultans into a tie for third place and all but out of the running for a first place tie. Had Santana won, the Sultans, Mt. Miguel, and Helix would have been tied for the lead. Two teams may be sent to CIF, but three teams probably wouldn't be.

In the Helix-Mt. Miguel affair, the Highlanders scored first when Clay Fox blocked a Mike Cormier punt and Marty Ucker picked up the loose pigskin and ran 10 yards for the score.

Mt. Miguel scored before the first period could end as Ed Morris capped a 60-yard drive with a one-yard plunge. With Jess Jenner's kick, the score was 7 to 6.

In the next quarter, Helix failed to get any kind of offense going. The Matadors kept driving but when things began to look good, quarterback Jess Jenner re-injured his back. John Madigan kept the drive going, however, as he hit Tom Gallagher on a 10-yard screen pass for the score. The half ended and Miguel had a 13 to 6 lead.

In the second half, the Matador offense couldn't click. Madigan did a fine job, but without the experience of Jenner the offense slowed down. The Highlanders, on the

other hand, looked impressive. Quarterback Jim French started the scoring when he hit Dave Oliver with a 52-yard touchdown pass. Mt. Miguel's problems continued when Mark Murphy grabbed a fumble on the Matador 10-yard line. Sam Smith scored easily two plays later from the six.

Smith, who leads the Grossmont league in scoring, continued to run over Miguel. He scored again from the 6-yard line which stopped the scoring

and put the game on ice, 26 to 13.

Mt. Miguel will have things easier the rest of the year, taking on El Cajon at Valley Stadium tomorrow night before finishing the season at Monte Vista.

Helix has a tougher schedule, invading El Capitan tomorrow night then taking on arch-rival Grossmont at Aztec Bowl next week. A loss to either team would probably give the league championship to Mt. Miguel.

Youth Basketball Programs On Tap

Registration will be held November 11 and 18 in the Mt. Miguel High School gymnasium for the 1972-73 boys and girls basketball leagues sponsored by the Spring Valley Recreation District.

Registration fees, which include insurance, are \$1.50 for residents of the Recreation District, and \$2.50 for non-residents.

Girls will be divided into two divisions, one for fifth and sixth graders, and one for sixth and seventh graders. Tryouts for the teams, which will see action on Monday and Wednesday evenings and Saturday afternoons at Monte Vista High School, will be held November 27 for the "A" league and November 22 for the "B" league.

The Monte Vista gym will be open Monday and Wednesday evenings from 6 to 9 p.m. for practice until the season begins.

The boys program will include three leagues for boys in the fourth through ninth grades, with tryouts scheduled December 2. Boys in the fourth and fifth grades will try out from 10 a.m. to noon, boys in the sixth and seventh grades will try out from noon to 2 p.m., and those in the eighth and ninth will try out

from 2 p.m. to 4 p.m.

Games in the boys program will be played Wednesday and Thursday evenings in the Mt. Miguel gym and all day Saturday.

Also scheduled in the boys program are clinics at the Mt. Miguel gym.

Clinics for fourth and fifth graders will be November 11 at noon, for sixth and seventh graders November 18 at noon, and eighth and ninth graders, November 18 at 2 p.m.

Adults wishing to participate in the programs as managers or coaches should contact Skip Fenn or Rick Rodriguez at 463-6611, ext. 32.

Silva Gets Rose Bowl Ticket Chance

Lemon Grove resident Joe G. Silva, of 3601 Hilltop dr., Apt. A-2, was one of ten football fans to have a chance to buy tickets to the annual Rose Bowl football game set for January 1 in Pasadena.

Silva's name was drawn tenth in the annual ticket lottery.

A total of 1,750 persons will have the opportunity to purchase tickets to the annual game, which pits the top football teams from the Pacific 8 and Big 10 conferences.

Buckaroos Here Friday; Free Hockey Sticks Sun.

The Portland Buckaroos will invade the Sports Arena Friday night at 8 to try to "sully" the San Diego Gulls' unsullied home ice record. It is presently 4-0-1.

The Gulls then follow the Buckaroos home for a Saturday fray before hopping back to San Diego for a Sunday game with the Phoenix Roadrunners. Game time Sunday is 7 p.m.

The Buckaroos have many veterans that San Diego fans have come to know quite well throughout the years. Hard-hitting defenseman Connie Madigan, high scoring centers Art Jones and Guyle Fielder and veteran wings Andy Hebertson and Bill Saunders. Former Gull Dave Kelly is one of the netminders for the Buckaroos who are coached by Gordie Fashaway.

The Sunday game is a big event for all children, 14-years of age and under. Let's Dine Out is presenting a big Stick Night promotion. Victoriaville hockey sticks will be given to the first three thousand children that attend the game. The gates will be open at 6.

The Roadrunners will be making their second appearance of the season in San Diego and the two clubs will be meeting for the third time. The Gulls and Runners tied 7-7 in Phoenix on October 22 and San Diego won 4-2 here on October 26.

All three games can be heard over KOGO Radio 60 with the Voice of the Gulls, John Brooks.

Another big evening is planned for Friday, November 17 when the Gulls celebrate another birthday. Now in their seventh year in the WHL, the

Gulls will be celebrating their sixth full year in San Diego. There will be a large number of prizes and surprises that night for all fans attending.

O'Halloran-Norton Featured on Ali-Foster Card

Irish Jack O'Halloran, the La Jolla Lip, will meet Ken Norton, of San Diego in a 10-round scrap Tuesday, Nov. 21 in a closed circuit teevee performance.

The two-heavyweights who fought once before in San Diego, may be the best bout on the three bout event. Norton won a unanimous decision over O'Halloran in the earlier meeting.

Muhammad Ali, former world heavyweight champ will meet Bob Foster, the world light heavyweight champ in a 12-rounder to headline the card. Joe "King" Roman will be challenged by Terry Daniels in a 10-round bout to complete the program. Roman is heavyweight champ of Puerto Rico.

O'Halloran, a favorite in and around San Diego bistros, has been showing a contract signed by a Boston promoter in which he will fight Ali in December.

The Nov. 21 battles will emanate from Lake Tahoe and may be seen locally only at the Sports Arena under the sponsorship of Top Rank, Inc. starting at 5:30 p.m. Tickets will be \$5-\$7.50 and \$10.

Qs Meet Indiana Sunday Second Place May Be Stake

You'd think that everyone would be staying home to babysit the election—but that was not true of Conquistador fans.

There they were 3,119 of them shrieking as the New York Nets and the Qs swapped the lead back and forth. Apparently, the new, low ticket price schedule was helping to fill Peterson Gym.

It all came out well for the Qs when the scorekeepers posted the hometown at 116-108 winners and pulling away.

The Qs remain in third place in the ABA Western Division and Indiana trounced Memphis, Utah, the leader, did not play. The Qs (8-6) are a game behind Indiana (8-4) and two behind Utah (10-5).

Undisputed control of second place may be at stake Sunday since the Qs' next home game is with the Indiana Pacers. The Pacers have been operating with George McGinnis (third in the ABA with 24.3 average after 11 games), Mel Daniels (second in rebounding with 15.8 per game) and Roger Brown who is averaging 16.8 points.

In the Indiana backcourt, Freddie Lewis (17.4 points and 41 assists) and Donnie Freeman (95 points) or Billy Keller (104 points) will be the only wingmen in the Pacers running offense. While the Pacers have scored only 108.6 PPG (after 11 contests) their rock ribbed defense has given up only 106.4. This has ranked the Pacers second in defense and seventh in offense and the Hoosiers are the only team this season to hold the Qs under 100 points (112-98 on October 29).

Lung Test Developed

A ten-minute breathing test unveiled at the University of California San Diego School of Medicine signals the way to detection of lung disease before symptoms appear.

Developed by John B. West, M.D., Ph.D., Professor of Medicine and his research associates, the apparatus enables the doctor to measure in a relatively short period of time lung capacity, blood flow, retention of oxygen and carbon dioxide, and closure of airways. Dr. West says these measurements correlate well with development of various lung disorders, such as emphysema and bronchitis.

Old Town Given 'Back to People'

Old Town San Diego State Historic Park has been given back to the people, according to William Penn Mott, Jr., Director of the California Department of Parks and Recreation.

Mott said that all streets within the park are now closed to vehicular traffic and the park can now serve people instead of vehicles.

The San Diego City Council recently voted to close San Diego ave. between Twigg and Wallace and Mason street from San Diego ave. to Congress. Those were the last two street sections within the park that were open to vehicular traffic.

The city has installed temporary

barricades until the department can put in planter boxes and other esthetic devices to close off the park to vehicles. The streets will become a pedestrian mall, the American name for what the Spanish called a plaza. Parking is provided in four lots on the perimeter of the park.

The state began acquiring land in Old Town in 1967. It is California's first settlement, dating back to 1769, and the present park interprets the setting of California life of the Mexican and early American periods from 1829 to 1869.

SD County Tax Bills Sent Out

Almost a half million additional pieces of mail were handled by the post offices in San Diego County last week.

"It had nothing to do with Halloween," said County Tax Collector James E. Jones. "It was simply when we mailed out more than 441,000 tax bills to property owners in the area."

"The bills represent monies owed to the many local taxing agencies within San Diego County."

An act of the California State Legislature in 1969 fixed the responsibility of assessing all property in a county by that county's assessor to insure equitable taxation. At the same time, San Diego County's Tax Collector, in agreement with the various cities, school districts, and other agencies, assumed the collection of most of the property taxes in the region.

With the exception of only a few irrigation districts, all property owners now receive their tax billing on a single statement.

Because tax bills become delinquent if not paid by December 10, when the first half is due, Jones said that property owners who do not receive a bill by November 12 must call his office as soon as possible to avoid paying penalties.

"The penalties, mandatory by State law, must be paid even if no statement was received. With so many individual pieces of mail, a few are bound to get lost or misplaced. Let me emphasize that it's the property owners' responsibility to contact his Tax Collector immediately if no bill is received," he said.

The Tax Collector's phone number is 236-3121.

Smoking Research Sets New Programs

informational tapes for the Tel-Med program. Another step will be to begin a cooperative relationship with the County Department of Public Health's Alcohol Rehabilitation Center.

He explained that the project's entry into alcohol abuse education is an attempt to amalgamate two programs that have similar bases. He feels the man on the street wants to know how alcohol abuse, cigarettes, and even poor diets interact on the body. Fosburg was careful to point out that the project's new program will in no way overshadow their previous health education efforts. "We are not going to interfere with other programs in any way. We want to work as closely as possible with other agencies working in the same area of what we call risk-taking behavior," he said.

In describing Tel-Med, the other new thrust of the Medical Society and Smoking Research, Fosburg said it would be as much a boon to doctors as it is to the public. It is a system where anyone in the calling area can dial a number and get a recorded message on a wide range of medical topics.

He anticipates that Tel-Med can assist the physician by cutting down on time spent discussing routine matters with patients. For the patient, it will provide access to information without contacting a physician. He said it is hoped that the system will be in operation sometime this December.

Although all messages will be reviewed by professionals, it is not a diagnostic medium—and does not cost the caller anything. "It will be strictly an information medium," Fosburg said, "which will give the patient general information advice on subjects from lock-jaw to vasectomy."

LUGGAGE

BURGLER TV PONDERED — Clerk Chris Shoun of the Sheriff's Office tries to determine ownership of a TV set recovered from a burglary suspect. Householders are urged to join "Operation Identification" by inscribing their drivers license numbers on items of value. Modern techniques employ-

ed by the Sheriff's Office can return stolen good promptly if they are marked with an electric engraving pencil. Engravers and pencils are available from the Sheriff's Office, sub-stations, fire departments, and many libraries and banks.

'Operation Identification' Aids In Reducing Local Burglaries

Do you know the serial numbers of your TV set, your stereo, or your kitchen appliances?

These items are frequently stolen during house burglaries because they are easily resold and almost impossible to trace, according to Captain Roy Williams of the San Diego County Sheriff's Department.

Thanks to a recent improvement in the California Law Enforcement Teletype Service, a small amount of time invested by a householder will almost insure the recovery of stolen items. The teletype is now tied to a computer in Sacramento which gives answers almost instantaneously.

Captain Williams, head of the Sheriff's communication division, said that modern technology, such as computer-related teletypes, are causing many burglars to shy away from homes that are identified as participants in the program.

Known as "Operation Identification," is simply calls for householders to inscribe their California drivers license number on the valuables with an electric engraver, then so mark their homes with decals. The engravers are available at every Sheriff's sub-station, fire departments, and many libraries and banks for short term loan to citizens.

In case of theft, a list of stolen items along with the one number, is teletyped to a State computer center in Sacramento and to a national center in Washington. An inquiry by an investigator in the field, anywhere in the State, can bring a response within seconds. With pawn shop details,

patrolmen, or detectives able to trace the items readily, their resale value on the illegitimate market virtually disappears.

In fact, burglars are evidently acutely aware of the situation, because those homes with decals showing they have participated in "Operation Identification" are seldom entered, according to statistics. Out of approximately 5,000 homes marked, less than 10 have been reported as burglarized.

Capt. Williams said that the drivers license number of the principal householder, usually the father, should be used on all items. The electric engraver, in inscribing the marking, so disturbs the molecular structure of most items that attempting to file away the personal serial number is futile. With proper lab techniques the obliterated number can still be read.

Deputy Sheriff Dave Gaerin, of the Crime Prevention Unit, stated that East County home burglaries have declined over the past few months attributable partly to "Operation Identification," partly to increased patrol activities, partly to the Sheriff's helicopter surveillance of the area, and to efficient detective work, combined with the citizen awareness program of the various law enforcement agencies involved.

"One of the greatest weapons of 'Operation Identification,'" said Williams, "is the rapidity in which a patrolling officer can radio in an inquiry and get an answer back from the computer via teletype."

"For instance, if a suspect

is stopped for interrogation and has items in his possession carrying a different number inscribed than his own drivers license shows, then in just seconds he can ascertain the person to whom the number is assigned shown on the items. By contacting the owner, if the possessor has a legal right to the material, then no harm is done and only minutes have been lost.

"If, however, the legal owner isn't aware that the suspect has his merchandise, then there is a whole new ball game," concluded Williams.

Both Williams and Gaerin urged householders to cooperate with "Operation Identification" at the earliest opportunity to further cut the frequency of home burglaries.

Booth Robbed

(Continued from Page 1)

knife to the clerk and told her to cut the phone cord. She did so then returned the knife to him.

He then told her to keep her head down and threatened that if she looked up, an accomplice would shoot her.

The description of the suspect indicated that he was a male Negro, about 25 to 30 years of age, about six feet tall and slender. He wore a bushy mustache and short hair covered by a brown and white striped "watch cap", a vee-neck long-sleeved sweater, and had a deep, hoarse voice.

Additionally, according to the clerk, he had short finger nails and two or three of them appeared to have been broken or injured as if a door had been closed on them.

GRAND PRIX — Playing prominent roles in the California Championship Grand Prix at San Diego Country Estates Saturday and Sunday will be: Mrs. Henry Goldy; Al Bahr Shrine Grand Potente Henry Goldy, and actor-veteran horseman, Tab Hunter.
